These photographic works are being used by Defendants without obtaining licenses or consent from Plaintiff VINCENT KHOURY TYLOR, thus violating his exclusive rights as the copyright owner to reproduce, adapt, display, distribute, and/or create derivative works under 17 U.S.C. §§ 100 et. seq. A true and correct copy of each of those photographic works registered by Plaintiff VINCENT KHOURY TYLOR along with copies of screenshots of Defendants' infringing uses are attached hereto as Exhibit "C".

24. Plaintiff VINCENT KHOURY TYLOR also discovered that Defendants are using four (4) of his photographic works at issue and Plaintiff VINCENT SCOTT TYLOR discovered that Defendants are using his one (1) photographic work at issue, a total of at least two-thousand seven-hundred seventy-three (2,773) separate times in high resolution in one (1) video that was uploaded three-hundred and forty-seven (347) separate times by Defendants' on their Youtube.com commercial web page, described in paragraph 14, as follows:

Image "**O-01 Waikiki-Pink boat ORIGINAL VERSION**" is being used 346 times at <https://www.youtube.com/user/hawaiiitourscom/videos>, in a 3-Photo

“Cover” Collage on thumbnails of 346 uploads of the video, and in a 3-Photo Collage at the 30-second point of each of the 347 uploads of the video, totaling 693 uses.

Image **“A-20 Surfer at Twilight”** is being used 346 times at <https://www.youtube.com/user/hawaiitourscom/videos>, in a 3-Photo

“Cover” Collage on thumbnails of 346 uploads of the video, and in a 3-Photo Collage at the 30-second point of each of the 347 uploads of the video, totaling 693 uses.

Image **“A-12-B LaniKai-girl Web”** is being used 346 times at <https://www.youtube.com/user/hawaiitourscom/videos>, in a 3-Photo

“Cover” Collage on thumbnails of 346 uploads of the video, and in a 3-Photo Collage at the 30-second point within each of the 347 uploads of the video, totaling 693 uses.

Image **“Awapuhi Trail”** is being used as a full-screen photo at the 13-second point within each of the 347 uploads of the video, totaling 347 uses.

Image **“B-01-B Rainbow Falls”** is being used as a half-screen photo at the 49-second point, within each of the 347 uploads of the video, totaling 347 uses.

These photographic works are being used by Defendants without obtaining licenses or consent from Plaintiffs, thus violating their exclusive rights as the copyright owners to reproduce, adapt, display, distribute, and/or create derivative

works under 17 U.S.C. §§ 100 et. seq. A true and correct copy of each of those photographic works registered by Plaintiffs along with copies of screenshots of Defendants' infringing uses in the video are attached hereto as Exhibit "D".

Screenshots of Defendants' three-hundred and forty-seven (347) uploads of the video on their Youtube.com commercial web page with the "Cover" collage displayed on all, except one, of the thumbnails for their uploads is attached hereto as Exhibit "E". A list of the URLs for each of Defendants' three-hundred and forty-seven (347) uploads of the video on their Youtube.com commercial web page is attached hereto as Exhibit "F".

25. Each of the three-hundred and forty-seven (347) separate uploads by Defendants of their video, described in paragraph 24, has a different URL address as well as a unique title or keywords assigned by Defendants to each upload. The unique title or keywords assigned by Defendants to each upload of this video results in search engine optimization, making this video more visible on Youtube.com or within internet search results generated by internet search engine websites, such as Google.com; for example, an internet search for "Hawaii Travel Deals" or "Honolulu Car Rental" or "Airline Flight to Hawaii" or "Hawaii Attractions" matches a title of one of the uploads of this video by Defendants, shown in Exhibit "E", causing the uploaded video with a title containing the keywords of an internet search to be displayed within the generated search results

for those keywords, effectively advertising Defendants' HAWAII TOURS business.

26. Plaintiff VINCENT KHOURY TYLOR has discovered that Defendants are using twenty-four (24) of his photographic works at issue, a total of at least forty-four (44) separate times in high resolution in twenty (20) other videos uploaded by Defendants to their Youtube.com commercial web page, described in paragraph 14, to advertise their HAWAII TOURS business. These photographic works were used in twenty (20) of Defendants' videos at the following URLs for each video, as follows:

These photographic works are still being used by Defendants without obtaining licenses or consent from Plaintiff VINCENT KHOURY TYLOR, thus violating his exclusive rights as the copyright owner to reproduce, adapt, display, distribute, and/or create derivative works under 17 U.S.C. §§ 100 et. seq. A true and correct copy of each of those photographic works registered by Plaintiff VINCENT KHOURY TYLOR along with copies of screenshots of Defendants’ infringing uses in the twenty (20) different videos are attached hereto as Exhibit “G”. A list of the URLs for each of Defendants’ twenty (20) other videos uploaded on their Youtube.com commercial web page is attached hereto as Exhibit “H”.

27. Plaintiff VINCENT KHOURY TYLOR’s copyrighted photographic works at issue, where they are legitimately available, bear his

copyright management information in the form of a “Vincent K. Tylor” signature at the bottom corner of each photographic work.

28. Upon information and belief, Defendants intentionally removed or altered Plaintiff VINCENT KHOURY TYLOR’s copyright management information from his twenty-nine (29) photographic works at issue for Defendants’ uses of those photographic works without his authority or the authority of the law, or Defendants distributed those photographic works knowing that his copyright management information had been removed or altered without his authority or the law. Defendants displayed copies of those photographic works without copyright management information, knowing that Defendants did not own the photographic works, and knowing that a simple internet image search would locate those photographic works with Plaintiffs’ copyright management information clearly associated with those photographic works. True and correct copies of Plaintiff VINCENT KHOURY TYLOR’s photographic works containing his copyright management information along with copies of screenshots of Defendants’ infringing uses with the copyright management information cropped are shown in Exhibits “C”, “D”, “E” and “G.”

29. Defendants’ use of two (2) of Plaintiff VINCENT KHOURY TYLOR’s photographic works, **“O-11 Waimea Bay”** and **“Big Island Coastline - B-22”**, still contained part of his copyright management information described in

paragraph 27 (as shown in Exhibit “G”, attached hereto), demonstrating a disregard for Plaintiff VINCENT KHOURY TYLOR’s notice of copyright and that Defendants acted willfully with respect to their copyright infringements and intentionally with respect to their removal or alteration of Plaintiff VINCENT KHOURY TYLOR’s copyright management information, knowing that their uses of Plaintiff VINCENT KHOURY TYLOR’s twenty-nine (29) photographic works at issue would constitute copyright infringement and in an attempt to conceal their copyright infringements.

30. Defendants provided, distributed, or associated their own false copyright management information on their uses of twenty-four (24) of Plaintiff VINCENT KHOURY TYLOR’s photographic work at issue (the uses described in paragraph 26), without his authority or the authority of the law, knowing that Defendants did not own the photographic works. True and correct copies of those photographic works registered by Plaintiff VINCENT KHOURY TYLOR along with a copies of screenshots of Defendants’ infringing uses with Defendants’ own false copyright management information on their infringing uses are shown in Exhibit “G.”

31. Upon information and belief, Defendant MILTON RAMSEY, L.L.C. is vicariously liable for Defendants’ copyright infringements, removal or alteration of copyright management information associated with the photographic

works at issue, and/or provision, distribution, or association of false copyright management information with the photographic works at issue because Defendant MILTON RAMSEY, L.L.C., as the sole manager of Defendant PPF HAWAII LLC, enjoys a direct financial benefit from, and has the right and ability to supervise or control, the infringing activity and/or removal or alteration of copyright management information associated with the photographic works and/or provision, distribution, or association of false copyright management information with the photographic works at issue for Defendants' uses as described.

32. Defendants' Youtube.com commercial uses of Plaintiffs' photographic works in three-hundred and forty-seven (347) separate uploads of one (1) video by Defendants and in twenty (20) other videos uploaded by Defendants as commercial advertising for Defendants' business have contributed to widespread distribution of Plaintiffs' photographic works absent Plaintiffs' copyright management information and with Defendants' false copyright management information. Users who view one of Defendants' hundreds of uploads of their videos at issue on Defendants' Youtube.com commercial web page can easily distribute Defendants' videos containing the infringing uses of the photographic works at issue, without Plaintiffs' copyright information or with Defendants' false copyright management information, by sharing the videos among the millions of users of other social media websites, like Facebook.com;

promoting Defendants' videos and business among other users by clicking the "Like" or "Subscribe" button; emailing copies or hyperlinks to the videos; or, embedding copies of the videos in other websites or web blogs, all of which are actions that effectively promote Defendants' Youtube.com commercial web page or their business as the origin and owner of those photographic works.

33. The significant damage to Plaintiffs' copyrights and the high likelihood of increased infringing activity from Defendants' uses of Plaintiffs' photographic works at issue, absent Plaintiffs' copyright management information and with false copyright management, is shown by the facts that Defendants' Youtube.com commercial web page has received over 75,000 views and a single upload of one (1) of Defendants' videos alone, titled "Airline Flight to Hawaii", has received "9,433 views" since it was uploaded three (3) years ago, shown in Exhibit "I" attached hereto.

34. By letter of May 28, 2014, Plaintiffs gave notice to Defendants of the copyright infringements and Digital Millennium Copyright Act violations, described in the previous paragraphs, for the photographic works at issue and attempted to resolve the claims by requesting that Defendants pay a retroactive licensing fee for their uses and that they cease and desist from using any of Plaintiffs' copyrighted photographic works.

35. Despite notice of Plaintiffs' copyrights and demand that Defendants cease and desist, described in paragraph 34, Defendants continue to willfully infringe Plaintiffs' copyrights and intentionally violate the Digital Millennium Copyright Act by continuing their infringing activity, as described in the previous paragraphs.

36. Plaintiffs and Defendants were unable to resolve this matter; thus necessitating legal action.

**FIRST CAUSE OF ACTION:
COPYRIGHT INFRINGEMENT**

37. Plaintiffs restate and reallege each of the allegations contained in paragraphs 1-36 as if fully stated herein.

38. Plaintiffs have all rights, title, and interest in the copyrights to their respective photographic works at issue as holders of the copyrights, the use of which has not been licensed to Defendants.

39. Defendants continue to misappropriate Plaintiffs' copyrighted photographic works with knowledge that the photographic works at issue did not belong to Defendants; Defendants thereby willfully engaged in unauthorized use, copying, distribution, and/or display of Plaintiffs' copyrighted photographic works by using twenty-nine (29) of Plaintiff VINCENT KHOURY TYLOR's photographic works a total of at least two-thousand four-hundred eighty-seven (2,487) separate times and by using one (1) of Plaintiff VINCENT SCOTT

TYLOR's photographic works at least three-hundred forty-seven (347) separate times, totaling 2,834 infringements of thirty (30) of Plaintiffs' photographic works. Defendants' acts constitute willful copyright infringement under the United States Copyright Act, 17 U.S.C. §§ 101 et. seq.

40. Defendants have shown that they intend to continue, unless restrained, to use Plaintiffs' copyrighted photographic works, willfully infringing, and causing irreparable damage to Plaintiffs for which they have no adequate remedy of law.

41. Defendants' unlawful use of copies of Plaintiffs' original photographic works have diminished the value of the original photographic works by distributing and encouraging redistribution of the photographic works without identifying the photographic works as being the exclusive property of Plaintiffs.

42. Defendants' unlawful acts have been and are interfering with and undermining Plaintiffs' ability to market Plaintiffs' own original photographic works, thereby impairing the value and prejudicing the sale or license by Plaintiffs of their own photographic works.

43. Plaintiffs are entitled to a preliminary and permanent injunction restraining Defendants from engaging in further acts of copyright infringement and causing irreparable damage to Plaintiffs for which they have no adequate remedy of law.

44. Defendants, by their unauthorized appropriation and use of Plaintiffs' original photographic works, have been and are engaging in acts of unfair competition, unlawful appropriation, unjust enrichment, wrongful deception of the purchasing public, and unlawful trading on Plaintiffs' goodwill and the public acceptance of Plaintiffs' original photographic works.

45. Because Defendants used Plaintiffs' copyrighted photographic works without license, infringing the exclusive rights of Plaintiffs as the copyright owners, Plaintiffs are entitled to have the infringing publications and any improperly acquired likenesses or images (however stored or recorded) impounded while this action is pending.

46. As a direct and proximate result of Defendants' wrongful acts, Plaintiffs have suffered and continue to suffer lost profits and damages.

47. Plaintiffs are entitled to recover from Defendants the damages they have sustained as a result of these wrongful acts. Plaintiffs are presently unable to ascertain the full extent of the monetary damages they have suffered by reason of Defendants' acts of copyright infringement.
